We are excited to announce that our school proudly offers a **Student Council**! This dynamic group of student leaders plays a vital role in representing their peers, planning school events, and promoting school spirit.

Through Student Council, students gain invaluable experience in leadership, teamwork, and communication while having a voice in shaping the school environment. From organizing community service projects to planning spirit weeks, the council makes a positive impact both inside and outside the classroom.

Encouraging student participation in decision-making fosters a sense of responsibility and pride in our school community. We look forward to seeing the great work our Student Council will accomplish this year!

Open to: KMS Students
