EUROPE CENTRAL DISTRICT
UNIT 3084
APO AE 09021**

August 21, 2024

KMC Families,

DoDEA Europe Central District recognizes the impact on the community due to multiple delays of our transportation services the first few days of school. We agree, this is unacceptable, and we are working tirelessly with the contractor and installation to mitigate further delays. Furthermore, we have directed our Student Transportation Offices to notify parents of transportation delays within 15 minutes of the notification of the delay.

We take our task of safe transportation of your children very seriously. We are committed to ensuring a safe and timely commute for every student throughout this school year.

Sincerely,

Louis D'Angelo

Dr. Louis D'Angelo
Superintendent, Europe Central
