August 12, 2024

Dear Europe Central Employees, Parents, and Students,

I hope this letter finds you well and that you have enjoyed your summer. There is a certain excitement surrounding the start of each school year. It is a dynamic time when students reconnect with friends, meet new teachers, and embrace the joy of learning.

As the newly appointed Superintendent of DoDEA Europe Central, I would like to extend a warm welcome to you as we begin School Year 2024/25. At the district leadership level, I want to welcome back Mr. Joseph Lovett, Community Superintendent for Baumholder, Landstuhl, Sembach, and Wiesbaden schools. Joining us for her first full year is Dr. Wanda Bradley, Community Superintendent for Kaiserslautern, Ramstein, and Vogelweh schools.

Although I have served this community as the district Chief of Staff for the previous six years, starting a new role always brings a mix of emotions. I am filled with a sense of anticipation and enthusiasm. I am really looking forward to the opportunity to continue to work collaboratively with our military partners, community members, staff, students, and families.

This school year holds much promise, possibilities, and opportunities, some of which are known and some to be discovered as we journey through the months ahead. We have an exceptional team of educators and staff who are committed to providing nurturing and engaging learning environments for our students. My priority as superintendent is to build upon the accomplishments of the Europe Central School District and to create conditions to further enhance student and staff success.

Thank you for entrusting the education of your children to us. I am grateful for the opportunity to serve as your superintendent. It is an honor for me to work together with you to achieve remarkable growth and success. Welcome Back!

Sincerely,

Louis D'Angelo

Dr. Louis D'Angelo,

Superintendent, DoDEA Europe Central
